

Career Opportunity: Architect

About Amphora:

Amphora is a Winnipeg-based team of architects, interior designers, and design professionals working together to create a more beautiful world, one space and one building at a time. We design highly customized, memorable, and functional projects in educational, commercial, and multifamily settings for both public and private sector clients.

Position Description:

We are looking to add an organized, well-versed, and self-driven Architect to our office. This person will contribute to the creative and technical development of various commercial projects and will collaborate with other team members and subconsultants.

The ideal candidate for this role will possess:

1. A passion for great design, attention to detail, and creative problem-solving skills,
2. Experience in a similar role,
3. Registration, or eligibility for registration, as a licensed architect with the MAA,
4. Strong written and verbal communication skills, including the ability to lead project meetings and to communicate effectively with clients, subconsultants, contractors, and stakeholders in a approachable, engaging, and open way,
5. The ability to coordinate the work of internal design staff and outside consultants in the development of project documents,
6. A robust knowledge of the Manitoba Building Code, and
7. Proficiency in the use of Autodesk Revit.

How to apply:

Interested applicants are encouraged to forward a cover letter and resume, in confidence, to careers@amphora.ca. Please include “Architect” in the subject line. We thank all applicants for their interest in Amphora. Please note that **only residents of the Winnipeg area will be considered** for this position, and only candidates selected for an interview will be contacted.
