## ARCHITECTS

Cohlmeyer Architecture (CA) was founded over 40 years ago with offices in Winnipeg and Montreal. CA provides professional architectural and urban design services in the institutional, educational, First Nation, commercial, cultural, and residential fields across Canada. Our employees consider our team to be family. Many have been with us for over 20 years. We offer flexible working conditions and provide health, life, and permanent disability insurance.

Duties may include the development of conceptual and contractual documents, contract administration and tender documents preparation. It is important to note that the candidate will work closely with the Montreal office. We currently have a large volume of asset maintenance projects for government agencies and schools / universities.

We are looking for individuals with minimum of 5 years' experience, who are registered, or eligible for registration, who are versatile and ready to commit to a long-term job. The candidate must be self-motivated and able to undertake a project management role. Priority will be given to **bilingual** candidates.
