

Firm Background

Sternberg Architecture is a growing architectural firm. At Sternberg Architecture we believe that from concept to completion each project and each client requires a specific tailored solution where quality and design take center stage.

Sternberg Architecture's work methodology is based on the principle that creative collaboration is the key to success. Our projects range in size and scope, with expertise in educational, mixed-use multi-residential, institutional, hospitality, retail, and commercial projects.

We are currently looking for a talented and motivated architect to work, with limited supervision, in the design and production of construction documents and contract administration. Candidates must work well within a team and individually in an interactive studio environment. We hope that the successful candidate will play an important role in the growth of the firm.

Salary is negotiable and commensurate with experience. The successful applicant will be entitled and Sternberg Architecture's Benefit package.

1. Architect Qualifications

The successful candidate should have the following skills/experience:

- 5 to 10 years of relevant experience
- Registered, or eligible for registration with the MAA
- Responsible for the design, the production of construction documents and contract administration.
- Ability to interpret and coordinate the work of consultants including civil, structural, mechanical, and electrical engineering.
- Familiarity with NMS specification format
- Excellent communication skills, both verbal and written
- Strong knowledge of the National Building Code and Manitoba Building Code
- Proficiency in AutoCAD, Revit and MS Office.
- 3D and rendering skills.

2. Application instructions

Please submit in confidence, a CV, samples of your professional cover letter outlining your skills, qualifications, and the specific experiences that make you an ideal candidate for the position to jsternberg@sternbergarchitecture.com. Closing date October 31, 2023.

We thank all candidates in advance for their submissions. Only candidates selected for interviews will be contacted, however all resumes will be kept on file for six months.

SA Sternberg Architecture is an Equal Opportunity Employer committed to creating an inclusive environment for all employees without regard to race, creed, color, national origin, age, disability, marital status, or gender identity or expression. All qualified applicants are encouraged to apply.
